Dear Parents

I hope that everything is going well with each of you. I want to take a moment and write to let you know about what we have planned for our Education Sabbath program for this year. Since this is our first year since COVID-19 that we are allowed to worship in a more normal fashion we will be visiting each of our 4 constituent churches with our church program.

I have been in contact with each of the pastors and or elders and we have decided on some dates that will work for their church to put on our program. As a staff, we have already begun planning and have the students practicing songs. We understand that you may not be able to make it to each of the churches but the more that you can make it the better school representation for that church.

The program will consist of song service, special music, scripture, mini-sermon, and testimonies. It will be a good way day to invite someone who may be interested in sending their child to our school.

I also want to let you know that lunch will be provided at each of the churches.

We are also looking for student helpers at each of the churches to help with scripture and special music. We thought students may feel more comfortable singing or doing scripture in their own church. I also am looking for any parents who would love to give a 2–3-minute testimonial of why they believe in Adventist Education in particular Riverside Christian School.

If you can sign up below and let us know what your family is thinking that would be fantastic. I would like to know this week. Please note our first appointment is on April 22nd.

If you have any questions or concerns, please contact me or your child's teacher.
